Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether the Delhi Police has been found registering false cases against innocent people than the culprits and the Courts have number of times brought this fact to the notice of the top officials of the Delhi Police;

(b) if so, the reasons for not taking deterrent action against the policemen found guilty of harassing the general public; and

(c) the details of cases where Courts have written to the police authorities in this regard during each of the last three years and the action taken thereon?

Answer

MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND MINISTER OF STATE IN THE MINISTRY OF PERSO PUBLIC GRIEVANCES AND PENSIONS (SHRI HARIN PATHAK)

(a) & (c): There were two cases during the last three years in which the court held that the evidence against the accused was fabricated and/or the police officials had falsely deposed before the court against the accused. While the disciplinary proceedings against the delinquent officials involved in one case have been instituted, the administrative authorities concerned with the second case have been directed to take appropriate departmental action against the lone police official involved in that case. Besides, the complaints received from other sources against false registration of cases are also looked into and appropriate disciplinary action against the delinquent officials, if any, is taken.
